FOR IMMEDIATE RELEASE –

Rolling Pin Kitchen Emporium Named in the Top 50 Retailers

December 2, 2010 Rolling Pin Kitchen Emporium, Florida – The Gourmet Retailer is pleased to announce that Rolling Pin Kitchen Emporium has been named as one of the Top 50 Retailers in the US. Rolling Pin will be honored at a cocktail reception in San Francisco in January.

The Gourmet Retailer Magazine did this award to honor excellence in retailing — including, innovative practices, outstanding customer service, and remaining thriving and relevant in today’s ever-changing retail environment.

Since 1995, Rolling Pin has been the “Culinary Resource” for the Tampa Bay Area. The Brandon location offers over 12,000 products that include quality cookware, professional cutlery and kitchen tools that are used by professionals and home chefs alike. Rolling Pin also boasts a 1,000 square foot Culinary Center where 8 – 10 cooking classes are conducted weekly. Whether presented by Celebrity Chefs, local instructors or In-house Chefs, these classes are fun, informative and always a great value. The food is great too!

Karen West, Rolling Pin owner, “I am honored that Rolling Pin was recognized by The Gourmet Retailer Magazine Staff as one of the Top 50 retailers. It is wonderful to be in the company of all the outstanding Gourmet Retailers that were recognized.”
